37 Year Teaching Career

Mrs. Arthur J. Wakeley

The annual retirement dinner arranged by members of the Grayling Education Association was held Thursday, May 23 at the Chief Shoppenagons Motor Hotel. Fourth grade teacher Mrs. Mary Wakeley was the retiree being honored this year. Elementary principal Arthur Thayer presented her with a jewelry box, and a 30-year service pin and gave a resume of Mrs. Wakeley's teaching career.

Mrs. Wakeley began teaching at the Feldhauser School, ten miles east of Grayling on the North Down River Road, in 1921. She taught there for a total of 26 years, taking time off for 15 years to raise a family. She also taught three years at Lovells, and for the past three years in the Crawford AuSable Schools in Grayling.

Arrangements for the dinner were made by Mrs. Ivah Curle, Byron Brigham and Lacey Stephan Jr.

At the regular meeting of Grayling Post 106, American Legion on May 13, the following officers were elected for the coming year.

Richard Hamlin is the new commander with Marvel Zimmerman 1st vice commander, Aubrey "Fred" Arwood, 2nd vice commander, Lyle Bilsby, Finance Officer, Earl Wood, Chaplain, John Deckrow, Historian and Leo Hirvela, Sergeant at Arms.

At this time the new commander has not appointed his Adjutant, Post Service Officer or Judge Advocate.

M.E.A. Regional Council Meets in Gaylord

The executive board and Region 14 Council of the Michigan Education Association held their regular meeting in Gaylord on Wednesday, May 22, at 5:00 p.m. Minutes of the meeting and treasurer's report were read and approved. A letter from the state M.E.A. office was read, urging local organizations to ratify master agreements by June 6. Members were also reminded that the N.E.A. Life memberships will be \$25 until July 1, when national dues will be increased.

Much of the Executive Board session concerned teacher in politics. It was announced that Edward Bastow of Alpena High School and Delyste Henry of Alpena Community College are seeking the seat in the State House of Representatives for the 105th District. The seat is now held by Joseph Swallow of Alpena. Teachers were urged to take an active part in local, state, and national politics.

The executive board completed its session by discussing a budget for 1938-39. Anticipated income for next year is \$1,999.50 and anticipated expenses are \$1,995.00. The budget was discussed item by item.

Following the six o'clock dinner, the full council met into session. Del Terrill, administrative assistant from the Charlevoix Schools, urged the teachers of Region 14 maintain the independent caucus at the Representative Assembly. He stressed the need for more outstate members on the various state M.E.A. commissions, in order to avoid having the metropolitan area teachers control the entire state organization.

The calendar for the Regional Council, 1938-1939, was presented and adopted. Regular meetings will be held on the third Wednesday of each month. At the September, 1938, meeting, the professional negotiation chairmen will meet with Karl Ohlendorf from the state office in Lansing.

On motion of Del Terrill of Charlevoix, seconded by James Coultres of Alpena, the 1938-39 budget proposed by the executive Board was adopted.

The next item discussed was local dues. It was pointed out that many local organizations have doubled their dues for next year. Alpena delegates stated that their organization had raised its dues from \$15.00 to \$30.00 per member at the local level. Grayling has raised its dues from \$2.50 to \$5.00.

Max Novak of the M.E.A. Board of Directors reported on the annual Congress of the Michigan Association of Professors. (See Council Meets — Page 10)

Memorial Parade Plans Set

By Mrs. Eleanor Filley Adjutant

The annual Memorial Day parade will take place Thursday May 30, starting at 10 a.m. Parade members are to meet at the Legion Hall at 9:30 a.m.

Course of the parade will be from the Legion Hall to the Cedar Street bridge, where the Navy dead will be honored, then down Cedar street to the cemetery for the memorial services then conducted by Pastor Har-

old Jewkes of Camp AuSable.

The parade will then return by way of Plum Street to Michigan Avenue, down to the Post Office corner, turn left onto Peninsular as far as Ionia, and then to Cedar Street, and from there back to the American Legion building.

Units participating will be the American Legion and Auxiliary, the high school band, the Boy Scouts and Girl Scouts, Twilight Twirlers, National Guard, Cadillac Naval Reserve of Detroit,

and youngsters in the bicycle decorating contest. These latter must be at the Legion to go in to their designated spot and remain there all the way to the cemetery and back in order to be eligible.

As we approach Memorial Day let us all stop and pay tribute to those who have given their lives in the past wars and the present conflict. Let us also remember those who are still in hospitals suffering from wounds from all of the conflicts,

as they too have given so much that we may live in this wonderful land.

As the largest organization of veterans of all of these past and present conflict prepares to celebrate our 50th year of service to veterans, their families, community, state and nation, we have a great many new plans in the working to make this the best year in the history of the American Legion.

During this time we will be honoring those who have maintained continuous membership

WARNING TO PARENTS! Because of some of the heavy equipment being used in the Memorial Day parade, parents are asked to use extreme caution in keeping small children from running into the path of the parade.

during the past 50 years. Grayling Post 106 is proud to have two such members, Alfred Hanson and Anthony (Tony) Nelson. There is also one member who will have 49 continuous years of membership. He is John L. Martin.

Post 106 this year has fallen below its quota for the first time in history and at a time when all should be behind our service men and women as well as veterans of this war. The help and support of all members and the community is needed.

Did you know the Legion helps in many ways?

That the Blood Bank uses the Legion Hall for the collection of blood?

That during the last Blood Bank 16 of the 82 pints of blood were donated by Legionnaires.

That the hall may be used by the Silver Toppers to hold their meetings if they so desire.

That the hall is used by other veteran organizations.

The Legion sponsors the Christmas Party for all children of the community.

It sponsors the annual Easter Egg Hunt for all children of the community.

There is an American Legion Children's Home that provides a home for any child in need of one.

There is an American Legion Hospital at Battle Creek for all veterans in need of long term hospitalization with some of the finest rehabilitation facilities any place in the U.S.A.

Post 106 has a Post Service Officer who is able to furnish needed information for veterans including the new veterans laws.

The Legion sponsors the Oratorical contest for high school students, who in the past few years have made a very good showing.

The American Legion Wolverine Boys' State is also sponsored by the American Legion Post 106 along with other community organizations.

The above is only a few of the many things your American Legion stands for.

Visit Bear Museum

The Top of Michigan Industrial Education Association and their wives visited the Bear Museum Sunday, which was followed by a barbecue at the Beery property on the river.

Crawford County Recreational Activities

With any break in the weather towards warmth all streams in Crawford County should produce good fishing. The Main Stream of the AuSable, South Branch, and North Branch are ripe for hatches of Robert's Yellow Drake. This fly has been sputtering all week and will take only one warm day or evening to bring them out. Along with the Yellow Drake, Blue Duns have also been showing. With warm evenings the Stone Flies should come into their own again.

Keep a watch on the weatherman and with warm days and evenings, head for your favorite hole or riffle.

Upper Manistee produced good catches of trout for bait fishermen and spincasters, as did Big Creek and the East Branch.

Pan fishermen are getting Blue Gill on the beds of Lake Margrethe, Hargrove, Guthrie, and Section One.

Canoing Trails are open and all streams are normal with stream temperatures rising.

Fishermen and canoeists should bring insect repellants as the mosquitoes and other insects are making their annual appearance.

Junior-Senior Party Held

The annual party for the seniors was given by the juniors Thursday night at the Officers Club at Camp Grayling. Some 170 class members, their parents, and members of the faculty attended. The ballroom was attractively decorated with navy blue and white, these being the senior class colors. The class motto, "Rowing, Not Drifting," was displayed on a sign centering one side of the ballroom. The buffet table was centered by yellow roses (the class flower) from which radiated navy blue streamers. The decorating was done by senior Rick Holmes under the supervision of Garrett Bufo.

Chairmen of the party this year were Mrs. B. E. Henig and Mrs. Don Smock, with outstanding contributions made by the Tom Stancils, the Jack Wilsons, the Bill LaChappelles, Mr. and Mrs. Robert Hayes, the Les Hunters, and John Rolfe.

Mrs. Henig also expressed her appreciation to the parents of the juniors who worked to make the party such a success.

Mrs. Jack Church registered the guests as they arrived. Tending the pop and ice cream stand were Bob Smock, Don Smock, Bud Hunter, Pete Latussek, Jack Church, Richard Hamlin, Art Thayer, Jay Stephan and Clyde Anthony.

Music for dancing was by records.

WIND GUSTS TO 60 M.P.H. HERE SUNDAY

Instruments at the Northern Michigan Weather Forecasting station here in Grayling recorded wind gusts to 60 m.p.h. at about 4:15 p.m. Sunday. Minor damage was reported and visibility was very low at times due to blowing sand.

The winds were considered severe storm force, and could have done extensive damage if gusts had not been so brief.

The cause of the gales was a rapid drop in barometric pressure as a low pressure system, and a mass of much warmer air approached the state.

Fire Department Called Out Twice

Thirteen men of the Grayling Fire Department were called out Friday May 24 at 10:30 a.m. by a fire at the Madson mill located on the land fill east of Grayling. The blaze was caused by a short in wiring in one of the buildings and was reported by Phil Stakey, who was residing there. All three buildings at the site were destroyed and a small forest fire started, but it was quickly extinguished. One truck from the Conservation Department assisted.

Another fire in a 1937 Pontiac Fordor was put out Thursday at 6:30 p.m. on M-72 just east of the M-93 junction. Owner of the car, which was a total loss, is John Patrick Hayes, and operator of the vehicle was Carston Roberson, accompanied by Mike Hayes. The car left the highway and hit a tree, causing the fire.

KIRTLAND COLLEGE SCHOLARSHIP GIFT OF DETRAY OWNERS

Harold D. Tift and Howard S. Raymond, owners of the DeTray Realty Co., of Houghton Lake, will present a full year's scholarship to Kirtland Community College, they announced this week.

The two men stated that it is their intention to make this a permanent scholarship for the future.

The awarding to a deserving Houghton Lake High School student will be handled by the high school and will be based on the needs and scholastic record of the individual, the donors explained.

Tift and Raymond state that it is their hope that other scholarships will be forthcoming "to make the best possible use of a priceless resource, the area's best young minds."

The two men cited examples in other college areas where individual donors as well as businessmen groups provided scholarships which had a cumulative value of many thousands of dollars. These grants not only assisted many capable young people to obtain advanced education who otherwise might have been denied this advantage, but helped to sustain an area resource, an institution of higher learning.

Kirtland Community College, which serves the counties of Crawford, Ogemaw, Oscoda and Roscommon, will be enrolling students for classes beginning in the fall of 1968.

TAKE OFF TIME

Refrigeration Engineers magazine reminds that it's time to take the doors off of old refrigerators. In the years 1937 to 1967 388 children were killed by suffocation in old refrigerators. The worst months of any year are April, May and June. There is a state law requiring removal of doors of refrigerators no longer in use. Any refrigerator dealer will be glad to tell how to remove one. Remember the child you save may your own.

OUR APOLOGIES

Crawford - Grayling Share Highway Fund

LANSING - The State Highway Commission has started distributing first quarter Motor Vehicle Highway Fund collections to Michigan counties, cities and villages.
Henrik E. Stafseth, State Highway Director, said net Highway Fund receipts during January, February and March totaled \$110,764,968, an increase of \$10,851,771 compared to the same period of 1967.
(Crawford County's share is \$142,655 while the City of Grayling received \$9,023.)
The Highway Fund includes all state gasoline and diesel fuel taxes, and license plate fees. After deductions for collection costs and the State Waterways Commission's share, the money is distributed to the state, counties and 524 incorporated cities and villages for use on state and local highways and streets.

Under the formula, the Highway Commission will receive \$51,284,185, counties \$37,992,389, and cities and villages \$21,488,394.
Stafseth said the first quarter collections include only two months of the cent-a-gallon increase in the state gasoline tax enacted last year.
Distribution is based on one month under the old formula of 47 percent to the state, 35 percent to the counties and 18 percent to the cities and villages, and two months under the new formula of 46, 34 and 20 percent respectively.

MOOSE NEWS

Have you seen the basement at the lodge lately? New paneling is being installed, along with indirect lighting. It should really look nice when completed. Homer King is construction advisor for the project.
The Moose has over one and a quarter million members in 2300 lodges in our nation. Its medical facilities at Moose Haven have been declared the finest for its size in the nation by doctors and scientists. It was the very first to care for the young and the old. It started caring for the young in 1913 and its old in 1922. Its largest family presently at Moose Heart is a family of 13 children. No child graduates from Moose Heart with out a competent trade. Moose Heart is a complete city within itself, and is supported by your dues. Don't let these fatherless children down.

The new officers held their first house committee meeting Friday evening. Rules for employees and members were discussed for the club and the strict enforcement of them. All officers were present, plus a few interested members.
Our degree team had the honor of enrolling 36 new members into the Wayne Lodge Saturday evening, in conjunction with the grand opening of their new lodge building. Dedication and ribbon cutting ceremonies were held immediately after the enrollment. Guest speaker was Gordon Jeffery, past supreme governor and chairman of the Moose-Haven Board of Governors. The enrollment was in honor of Fred Vreeland, a member who loaned the lodge the money for their new building.

Members and cars are needed to help the city police, with the Memorial Day parade on Thursday. Please be at the American Legion Building by 9:30 a.m. for your assignments and instructions.
